3 **The meeting was opened to the floor to discuss matters of concern and interest:**

A member of the public thanks Hersden Parish Council for everything that they do, and I would like to ask the same question as last year, is there a possibility of a noticeboard on the Redrow development. This has been discussed and verbally agreed with Redrow and we understand that a noticeboard will go in the Community Square when building works start. Recent communications have taken place with Redrow.

Councillor A Brabham asks if we have an update on the pavilion, Cllr J Brabham states it is with planning and we are awaiting a decision.
